It was fun - I like visiting. Yuntle is off bugging

Monday morning me & about 99,999 other people
were at the Kotel for the traditional pilgrimage on
holidays - & the ^{1st} blessing by the Kohanim which they
have in shule to only here there were ~~100~~ thousands & thousands of
Kohanim. I'm sending pictures - words can't describe how beautiful
& nice - wow. Gotta go - sorry for delay Love D.C.
